

MECHANICAL REPAIR COVERAGE

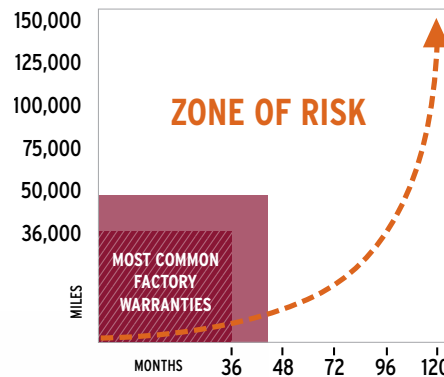

MRC can help limit the cost of repairs.

You depend on your car. But big unexpected repairs can happen after your factory warranty expires. Mechanical Repair Coverage (MRC) can help you limit the cost of any covered breakdowns. You pay only the applicable deductible, if any. MRC can help lighten the financial burden for you and the people you care about. Get MRC today so you can worry a little less about tomorrow.

Repairs can be expensive.¹

As your vehicle gets older, the risk and cost of repairs increases.

Benefits for covered repairs

- **Limit repair costs** to your deductible, if any.
- **Choose your deductible:** \$0, \$100, \$250 or \$500.
- **Rental reimbursement** up to \$35/day for 5 days (up to an additional 5 days with verified parts delay) from day one.
- **24-hour emergency roadside assistance** up to \$100 per occurrence. Includes towing, battery jumpstart, fluid delivery, flat tire assistance & lock-out service.
- **Travel expense reimbursement** up to \$200 per day for 1-5 days for food, lodging and rental.²
- **Good at any authorized repair facility** in the U.S. or Canada.
- **No out of pocket expense** except any deductible. Plan pays the repair facility.
- **Transferable to increase resale value.** Only if sold privately. Subject to transfer fee.
- **Cancel for full refund within 60 days.**³

What's not covered?

- **Normal maintenance services and parts.** Examples: batteries, belts, brake pads, exhaust, filters, fluids, wheels, wiper blades, etc.
- **Abuse, misuse, and lack of proper maintenance**
- **Body structure and parts** (e.g. trim, molding, glass, paint, etc.)
- **Aftermarket equipment, components, systems or accessories not installed by the manufacturer**
- **Normal wear and tear** where no failure has occurred
- **Exclusions and limitations apply. See the Vehicle Service Contract or the Insurance Policy for details.**

¹Actual costs may vary by vehicle year, make, and model. Prices based on specific manufacturer-suggested labor & component repair prices for a representative sample of 2016 Asian, Domestic, and European vehicles as reported by a nationally-recognized labor/time publication. ²Only when a breakdown occurs over 100 miles from home. (Not available to NY residents.) ³Full refund available only if coverage is unused in the first 60 days. If used, refund is pro-rated.

➤ PLATINUM PLAN

Will remedy any covered breakdown except items listed under "What's not covered?" on reverse side. Platinum specific components covered:

HIGH TECH

- Automatic leveling system
- GPS/navigation system and antenna assembly
- Cruise control actuator and module
- Heated seat element and cooling seat components
- Electronic instrument panel control module
- Rollover protection system
- Electronic stability control system
- All sensors, and relays
- Electronic traction control system

ENTERTAINMENT SYSTEM

- Antenna assembly
- Radio and speakers
- Compact disc player/changer
- Satellite radio
- DVD player and monitor
- Telephone prewire/Bluetooth connectivity
- Graphic Equalizer

SAFETY & SECURITY SYSTEMS

- Heads up display
- Tailgate and hatchback actuators
- Night vision system
- Theft alarm system
- OnStar® system
- Tire pressure monitoring system
- Remote keyless entry transmitter and receiver module

CONVENIENCE

- Auxiliary power point
- Illuminated entry lamp (excluding bulb)
- Buzzer/chime (headlamps on, key in ignition)
- Illuminated vanity mirrors
- Cigarette lighter
- Memory seat system
- Clock
- Trip/mileage computer
- Compass
- Trunk lamp (excluding bulb)
- Electrical or mechanical gas cover and trunk releases
- Volt/amp gauge
- Glove box lamp (excluding bulb)
- Wiper motor transmission
- Headlight wiper motor transmission

MISCELLANEOUS

- Blend door motors
- Rear hatch or hood struts
- Blower motor resistor (regulates fan speed)
- Rear suspension and steering components
- Mechanical seat adjustment
- Weather strips
- Outside mirror remote adjustors

AND MORE!

➤ GOLD PLAN | Silver Plan plus additional items.

ADVANCED COMPONENTS

- Anti-lock brake system
- Heater core assembly
- Power seat motor(s) and transmission(s)
- Heater control valve
- Power window motor(s) and power regulator(s)
- Radiator
- Power door lock actuator(s)
- Radiator fan and clutch
- Digital and analog instrument display(s)
- Radiator fan motor including fan blade
- Low fuel sensor
- Temperature sensor and relay
- Low coolant sensor
- Fuel tank and hard lines
- Low oil sensor
- Fuel tank sending unit
- Electronic rear view mirror motor(s)
- Power sun roof motor
- Headlight door motor(s)
- Convertible top motor
- Heated back glass
- Constant velocity joints
- Windshield wiper washer pump(s)
- Horn assembly
- Heater A/C blower motor

ADVANCED HYBRID/ELECTRIC VEHICLE COMPONENTS

- Onboard battery charging system
- Three-phase high voltage cables
- Battery charge controller
- Hydraulic or electric regenerative braking system
- Motor/generator belt tensioner
- Onboard computer system including all relays, sensors, ECU & ECM (electronic control units/electronic control modules), power switch/button and controller/electronic throttle control system
- Drive motor dampener
- Voltage inverter reservoir

➤ SILVER PLAN

Covers components listed below:

ENGINE

GASOLINE ENGINE

- Cylinder block and all internal lubricated parts
- Valve springs
- Crankshaft
- Pushrods
- Rod and main bearings
- Timing chain housing (cover)
- Cam bearings
- Timing chain and sprockets
- Expansion (freeze) plugs
- Timing belt and pulleys
- Connecting rods
- Timing belt tensioner
- Wrist pins
- Flywheel
- Pistons
- Exhaust manifolds
- Piston rings
- Clutches
- Camshaft
- Balance shafts
- Cam tower
- Harmonic balancer and retainer bolt
- Lifters
- Crankshaft pulley
- Cylinder head
- Valves and guides
- Valve covers
- Oil pan
- Oil pump and pressure relief valve
- Engine oil cooler hoses
- Oil filter adapter/housing
- Engine oil sending unit
- Engine mounts
- Water pump
- Temperature sending unit
- Thermostat and housing
- Fuel supply pump
- Vacuum pump
- Dipstick and tube
- Fasteners for the components listed above

TURBOCHARGED/SUPERCHARGED/ROTARY/DIESEL/ENHANCED ENGINES

- All of the above listed parts or equivalent
- Intercooler
- Turbocharger
- Hard lines
- Compressor
- Waste gate controller
- Clutch and pulley
- Bypass valve
- Injection pump
- Lines and nozzles

TRANSMISSION

AUTOMATIC

- Case and all internal lubricated parts
- Main shaft
- Oil pump
- Clutches
- Valve body
- Bands
- Torque converter
- Drums
- Vacuum modulator
- Gear sets
- Governor
- Bearings
- Bushings
- Sealing rings
- TV cable
- Solenoids
- Electronic shift control unit
- Transmission mounts
- Cooler
- Cooler hoses and hard lines
- Dipstick and tube
- Fasteners for the components listed above

STANDARD

- Case and all internal lubricated parts
- Gear sets
- Main shaft
- Shift forks
- Synchronizers
- Bearings
- Bushings
- Fasteners for the components listed above

TRANSFER CASE - (4X4 VEHICLES)

- Case and all internal lubricated parts
- Chain and sprockets
- Main shaft
- Bearings
- Gear sets
- Bushings
- MOUNTS
- Fasteners for the components listed above
- Electronic and vacuum engagement components

FRONT WHEEL DRIVE

- Final drive housing and all internal parts
- Universal joints
- Carrier case
- Front hub bearings
- Gear sets
- Rear hub bearings
- Chain and sprockets
- Locking hub assemblies (4X4)
- Bearings
- Drive shaft support
- Bushings
- Fasteners for the components listed above
- Axle shafts

REAR WHEEL DRIVE

- Drive axle housing and all internal lubricated parts
- Front hub bearings
- Carrier case
- Rear hub bearings
- Gear sets
- Propeller shafts
- Bearings
- Universal joints
- Bushings
- Drive shaft support
- Limited slip clutch pack
- Fasteners for the components listed above
- Axle shafts

STEERING (Does not include "rear wheel steering" components)

- Housing/case and all internal lubricated parts
- Tie rods
- Rack and pinion equipped valve assembly
- Idler arm
- Sector shaft
- Power steering pump and pulley
- Rack mounts and cushions
- Electric power steering motor
- Inner rod ends and bellows boots
- Fluid reservoir
- Speed sensor or steering gear equipped pitman shaft and valve assembly
- Pressure and return hoses
- Sealing rings
- Cooler and hard lines
- Bearings
- Power cylinder assembly
- Bushings
- Steering main and intermediate shafts
- Pitman arm
- Coupling
- Center link
- Fasteners for the components listed above

FRONT SUSPENSION

- Upper and lower control arms
- Wheel bearings and seals
- Bump stop cushions
- Stabilizer shaft
- Control arm shafts
- Stabilizer linkage including mounts and bushings
- Torsion bar mounts and bushings
- Upper and lower ball joints
- Strut rods and bushings
- Dustboots
- King pins
- Steering knuckle (spindle)
- Fasteners for the components listed above

BRAKES

- Master cylinder
- Backing plates
- Assist booster
- Springs
- Wheel cylinders
- Clips and retainers
- Combination valve
- Self-adjusters
- Disc brake calipers (and rear caliper actuators)
- Parking brake linkage and cables
- Hard lines and fittings
- Fasteners for the components listed above

ELECTRICAL

- Alternator
- Mechanically actuated switches (ignition, brake light, and neutral safety switch)
- Voltage regulator
- Electronic fuel injection system (including all input/sensors & output/control units, except EGR valve, related to the fuel injection system)
- Front and rear windshield wiper motors and delay controller
- Electronic ignition module
- Starter motor and drive
- Electronic ignition module
- Starter solenoid
- Distributor and coil
- Wiring harnesses
- Engine management control unit
- Manually operated switches (specifically turn signal, headlight, dimmer and wiper switches)
- Knock sensor and oxygen sensor

AIR CONDITIONING

- Compressor and mounting brackets
- High/low pressure hoses
- Clutch and pulley
- Pressure cycling switch
- Condenser
- Thermostat
- Evaporator
- Drier
- Orifice tube
- Temperature control head
- Accumulator
- Fasteners for the components listed above
- Temperature control programmer
- Freon-refrigerant if necessary in conjunction with the repair of the components listed above
- High/low pressure cutoff switches

BASIC HYBRID/ELECTRIC VEHICLE COMPONENTS

- Electric motor/generator(s) and all internal components
- Power split device and all internal components
- Inverter/converter/transformer units and all internal components
- Reduction/reducer box and all internal components and fasteners for the components listed above
- Inverter/converter/transformer units cover
- Hybrid battery junction block
- Continuously variable transmission (CVT) and all internal components
- Hybrid battery main battery cable
- Electric alternating current compressor

SEALS & GASKETS

- All seals and gaskets on the assemblies listed above
